

The Children's School

ENRICHING MINDS AND INSPIRING DREAMS

TCS – MNA Agreement Regarding Carpool Queue Mitigation

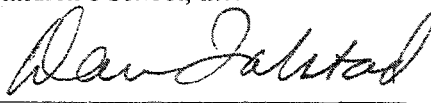

The Children's School agrees to work with the Midtown Neighbors' Association to attempt to reduce the impact of its afternoon carpool queue and, to this end, will do the following:

1. Retain the traffic engineering firm of Streetsmarts to develop a traffic engineering plan to provide recommendations on modifications to the School's carpool operations;
2. Assure that the traffic engineer retained by the School collaborates with the traffic engineer retained by the MNA to attempt to formulate joint recommendations on modifications to the School's carpool operations;
3. Give good faith consideration to the implementation of any recommendation on modifications to the School's carpool operations recommended jointly by the engineers retained by the School and the MNA;
4. Designate two representatives of the School, one of whom is a member of the School's Board of Trustees, to serve on the Traffic Committee of the MNA for at least the next three years; and
5. Give good faith consideration to the implementation of any recommendation on modifications to the School's carpool operations recommended by the Traffic Committee of the MNA.

TCS – MNA Agreement Regarding Historical Preservation Committee Review of 325 Tenth Street Facade

The Children's School agrees that the design plans for the Tenth Street exterior facade of proposed Building K, to be located at 325 Tenth Street, shall be submitted to the Midtown Neighbors' Association Historical Preservation Committee for review and comment. The Children's School further agrees to give good faith consideration to any revisions to the design of the Tenth Street exterior facade of proposed Building K recommended by the MNA Historical Preservation Committee.
